Blue Federal Credit Union Hosts 4th Annual Car Show

Cheyenne, WY. – Blue Federal Credit Union and The Blue Foundation are excited to announce the 4th Annual Blue Car Show, set to take place on Sunday, August 11, 2024, from 10:00 AM to 2:00 PM at Blue Headquarters, 2401 E Pershing Blvd in Cheyenne. This event is anticipated to feature over 150 vehicles, showcasing the passion and dedication of local car enthusiasts.

As a signature annual event, the Blue Car Show exemplifies Blue Federal Credit Union's commitment to connecting and supporting the community. The event seeks to provide a day for car enthusiasts to display their vehicles and support Cheyenne while doing it. We invite the community to come out to see the beautiful cars on display and enjoy music and tasty food truck options.

Proceeds from the car show benefit The Blue Foundation, furthering its mission to support local non-profits that work towards providing financial education and financial wellness programs. This year is especially impactful with the opening of the Boost Center by Blue, a Blue Foundation funded program, that works on improving housing stability, deepening educational development, and widening economic opportunities. Car show participants will have the opportunity to grab a sneak peek of the Boost Center being built at the Blue Diamond Center Business Complex, adjacent to the car show.

"This is one of my favorite annual events," says Michele Bolkovatz, VP of Public Relations and Membership Development. "It is always fun to see the great cars and the people behind them come out and support The Blue Foundation."

Join Blue for a day of fun, community spirit, and automotive excellence. Vehicle registration is now open, but spaces are limited. Register today at [Blue Car Show - Blue Foundation](#).
