AT WORLD HEADQUARTERS

Located in the heart of Cheyenne Wyoming, the Blue Community Events Center at World Headquarters is your next event destination for a world class experience! Being a unique and modern event space, this facility's timeless mountain elegance boasts a combined over 20,000 square feet of indoor and outdoor spaces (featuring over 7,000 square feet indoors, state of the art audio visual equipment, and over 14,000 square feet in the outdoor plaza – in short, our Events Center is the place to be). The amenities listed below, as well as the ability to customize the space to your needs is what makes the Blue Community Events Center the best place in Cheyenne to hold an event.

Along with our superior facilities, the skilled events team at Blue are AV/IT aficionados who partner with you to deliver extraordinary service and transform your gathering into a memorable experience. Our team will serve as your single point of contact from planning to the day of your event. It is for these reasons that the Blue Community Events Center at World Headquarters is Cheyenne's ideal event space, and we look forward to helping you with everything from micro weddings to corporate gatherings!
